NOV 2014

Last Month, New Fishing/Hunting regulations review and discussion with DNR Warden Woltz, this month with Trees for Tomorrow about Bobcats. The great Programs just keep coming. We hope you all enjoy them. We had a nice member turnout in October, and a reminder that our next meeting is at 7 p.m., November 20th, a week earlier than usual, due to the Thanksgiving Holiday. Hope you will join us. At last month's Board meeting, we finalized our Club's yearly giving to local entities, and decided to not donate to the St Germain Fireworks or the the Fire Auxiliary, due to lower income compared to last year. Total donation amount to \$6700, to 14 different organizations.

PAW

BOBCAT

The lucky winners of the Kayak live in Illinois, and have a year-round home on Lost Lake, and are very excited to begin using it next year. the hand-carved duck was won by a lady from Wausau, who has a perfect place for it on her mantel, the beautiful framed blue-jay painting was won by a family from Hazelhurst, and the cash drawing was won by Dave Miller, who also graciously donated a portion back to the Club.

DIRTY

RACCOON

Ellen Dahnke has graciously volunteered to take on the Membership directory, so if there are any changes, please contact her directly. Her contact information is included on the last page of this newsletter.

# FRANK'S FISHING REPORT

I am hoping to go out later today. Water has now dropped to the low 40's and I have slowed my presentation down, and also went smaller on baits. I am going to go walleye trolling! A friend thinks he will still catch fish, HA-HA we will see.

Ice should be here around Thanksgiving. Early ice will be good as it always is. Fish the locations you normally fish at this time of year.

~Frank Klamik

PS: After a quick trip to the lake, we ended up with six walleye between 17-22 inches and two northern 27-29 inches. I guess he knows his walleye.

Don't forget about the community support program at Camp's SuperValu in St. Germain, and at Trigs in Eagle River. Every time that you shop at Camp's, write our club's code (CD14) on the back of your receipt and deposit in the bin on the service counter. Camp's donates a portion of those sales to our club. At Trigs, use code 69S.

# Birds, Animals & Other Wild Things

Foot Path

November  
our footpath  
from the fiery intensities of fall  
to the blue-white cold  
of northern winter  
where only the evergreens  
serve up splashes of color  
on the frigid days

we walk this month  
on pale frail maple leaves  
sugars drained  
water-soaked  
and on  
the  
tough bronze  
stuff of the oak leaf

pine needles  
cushion and quiet our steps  
while we wonder at  
the generous  
scattering  
of cones

most bird song has gone  
though here and there  
chickadees call  
and crows still speak boldly  
from now bare branches of trees

overhead  
eagles may ride the thermals  
and too, the bare-headed vulture

November leads us  
we are season-bound to follow.
