SAYNER-ST. GERMAIN FISH & WILDLIFE CLUB, INC.

Paw Prints

Hello Members,

We finally had beautiful summer weather for Pigs in the Pines. The crowds were amazing, which was good for the BBQ vendors, not so great for us as people are tiring of buying kayak raffle tickets (more on this later). Also after her shift, Karen Anderson (and Fred & I) did not get to sample any pig (the lines). Our sales improved after Karen & Marv moved our set-up out from under the pavilion. So a big thank you to the Andersons, The Dahnkes, Don Colton, Carol Seegers, and Jim Harold.

The Flea Market Mondays are winding down, just two left; how does that time fly? Thank you to our August volunteers: Cookie Lough, Terrie Beier, Dick & Lolly Kloepfer, Gary Groff, Arlene Riekenberg, Geri Shambo, Babara Steinhilber Donna Rollman, and thanks in advance to Jim & Diane Guckenber, Ellyn Dahnke and Jim Carlton.

Our Next activities are the Highway 70 cleanup on Sept. 7th, check with Karen Anderson if she needs more help, and also Cranfest in Eagle River on Oct. 1st & 2nd. The raffle drawing will take place on Oct. 2nd. Call or email me (715-542-3658/fglocher@gmail.com) to sign up (two shifts each day: 8:am- 12:30pm and 12:30pm-4:00pm).

We were lucky enough (except for the wind - interfered with the cooking time) to have a nice day for the club picnic; so thank you to all who attended. As usual Rick & Lynn did a great job with all those chickens and sides; so, thank you so much, also congrats on your recent wedding! A big thank you to members who brought dessert (and Frank for the soda). A request was made for my recipe for the Chex mix, so here it is: CANDIED PECAN CHEX MIX

Ingredients:

- 1/2 cup granulated sugar
- 1/2 cup brown sugar
- 1 tablespoon cinnamon
- 1 teaspoon salt
- 1/4 teaspoon cayenne pepper
- 9 cups Chex cereal (I used Chocolate Chex & Rice Chex)
- 4 cups raw pecan halves (from the baking section of your store)
- 2 cups pretzels
- 4 egg whites which have been whisked until frothy

- 1) Preheat oven to 300; line 2 large baking sheets (with sides) with parchment paper.
- 2) In a mixing bowl, whisk together sugars, cinnamon, salt & cayenne. In another large bowl, combine the Chex, pecans & pretzels. Stir in the egg whites & toss until evenly coated, then add the sugar mixture & stir well.
- 3) Spread the mixture evenly on the baking sheets & place in oven & bake for 20 minutes. Remove from oven & toss, Return to oven & bake 20 minutes longer until crisping & no longer moist (it will continue to crisp as it cools). Remove from oven & cool on racks until room temperature.
- 4) Break up into pieces, then serve immediately or store in a sealed container for up to two weeks.

50/50 TICKET SALES
Please contact Laura to sign up

BOARD MEETING
Thurs., Sept 22
6:00 PM
St. Germain Community Ctr

...Continued from Page 1

I'm happy so many of you liked it & asked for the recipe; I can email you the recipes for the kitchen sink cookies and s'mores krispie treats if you let me know) I apologize to the non-cooking members.

Autumn is coming and it's such a beautiful time to enjoy the Northwoods. If you are in need of ideas for activities or classes for you, your children or grandchildren, check out the groups we work hard to help support. Some of these are: the North Lakeland Discovery Center, the Northwoods Children's Museum, the Northwoods Wildlife Center, the Vilas County Historical Museum and the Awassa and St. Germain Bike and Hike Trails. Visit our website for more details.

Our next meeting will be on Sept. 22nd. Scott Anderson's topic is, "Bears". So please plan to be there. We are running a contest to find the next BIG idea for our fundraising efforts with a club tee as a prize (enter at the Sept. meeting or you can call or email me with your ideas). The winner will be announced at the October meeting.

Stay wild and fish well,

Laura Locher, President

Birds, Animals & Other Wild Things

MULLEINS

*the torches are extinguished
the ones that this summer
lighted all the shoulders
of our road*

*mulleins
with their broad elaborate bases
of silken grey-green leaves
tall sturdy stalks
and tapered candle heads
aflame
with sun-illuminated
oh-so-yellow flowers*

*it is not hyperbole
to say they lighted our way
made travel more a pleasure*

*the inevitable turning of the season
has snuffed out their petal glow
left them standing
like chard leavings
of ancient firebrands*

*only
flash fire in trees
will brighten
the time
before snow.*

Cora Mollen

CLUB PLEDGE

- ✓ I pledge to protect and conserve the natural resources of the state of Wisconsin—especially of the Sayner-St. Germain area.
- ✓ I promise to obey all rules and regulations governing the harvest of wildlife and plants.
- ✓ I promise to educate future generations so they may become caretakers of our water, air, land and wildlife.

Frank's Fishing Report

With the cooler weather and large amount of rain, the fish are now starting to move into the fall feeding pattern. In the last week of August, I noticed walleye are starting to feed. One person is catching them in 7-16 feet, another in 35 feet. My fish have been biting in 9-12 feet. Keep moving and looking until you make contact.

I am also catching many panfish in 10 to 12 feet of water and a few people are fishing off shore and doing well.

Fishing will continue to pick up until freeze up, so if you are not a hunter, do not put your boat away until freeze up.

Frank Alamik
